QUESTION I How is it that the

Radiant Home Stoves

take the lead wherever they are offered for sale?

ANSWERS I
Because they are fitted with
Smythe's Patent Duplex Grate
—which makes no dust.
Separates the asles from the
coal much easier.

Are easier to manage.

Are the most powerful heat ers in the market.

BELLEVILLE, WEDNESDAY, DEC. 20 THE CROSSING CASE.

THE CROSSIAG CASE.

The unanimous desision of the Supreme Coors in favor of the province in the Manitoba railway crossing case will, we feel assured, be approved of by nine-tenths of the Canadian people. Strongly as we have supported the O. P. R. in their efforts to prevent the diversion of the North West trade to United States channels, and highly regretable as it would be if such should be a considered to the result of the decision referred to, we amnot but feel that such a restriction a, are contained for by the O. P. R. would be inequitable and unjust, and intolerable in the province. In our opinion the O. P. R. wont to far in this matter, depending one of their monopoly) by attempting to pless upon the Dominion Act an interrestation which it was never intended to best.

BELLEVILLE FRIDAY, DEC. 28 A GREAT JOURNAL.

A GREAT JOURNAL.

Yestardey the Toronto Empire celebrated its first anniversary by presenting to its readers an issue made up of twenty pages of highly interesting matter. Th' Empire claims, and we have no doubt justly, that its progress is upprecedented and that its circulation is already larger than that of any other daily journal in Chanaly. We congretizate our contemporary upon this success, which is the reward of merit; for it is without doubt the best nowspars. The success of the Empire above a that the hearts of the people have responded to its able advocacy of a truly national policy and its effective condemnation of attacks of all kinds upon our country and its constitution.

QUESTION I How is it that the

Radiant Home Stoves take the lead wherever they are offered for sale?

ANSWERS!

Because they are fitted with Smythe's Patent Duplex Grate—which makes no dust.

Separates the ashes from the coal much easier.

Are easier to manage. Are the most powerful heaters in the market.
